## ***Lt. Gov. Skillman Unveils Winners of the 2010 Hoosier Women Artists Competition***

Indiana Lt. Governor Becky Skillman has announced the winners of her fourth annual Celebration of Hoosier Women Artists competition. The contest is conducted annually in March to coincide with National Women's History Month.

"The competition this year was incredibly difficult to judge. More than 180 very talented Hoosier women from throughout the state entered their original works," Lt. Governor Skillman said "These women artists illustrate the fact that Indiana is home to incredibly talented women. The works they submitted were as diverse as the women themselves. It is an honor to display their art in my office."

The Lt. Governor will personally recognize the winners Wednesday, March 31, at a Statehouse reception. The winning pieces will be on display in the lobby of the Lt. Governor's office and on the Lt. Governor's website for one year.
